Experience

Internship Trainee

Aug 2024 – Oct 2024 | Sri Lanka Telecom

Completed a 3 month on-site internship as a Trainee at Sri Lanka Telecom, gaining exposure in data entry, customer interactions and sales.

Education

BTEC HND In Digital Technologies (Cyber Security)

Jul 2024 – Present

SLTM Nebula Institute Of Technology

G.C.E. Advanced Level

2015 – 2021

Nalanda College Colombo

Certifications

Microsoft Certified Azure Fundamentals

Dec 2024

Microsoft Certified Azure AI Fundamentals

Jun 2025

CWL Certified Red Team Analyst (Reading)

Oct 2025

Hands-on Projects

Automated Incident Response With SOAR & EDR Integration

Developed an automated SOAR workflow to immediately detect, analyze, and contain credential dumping attacks on a Windows Server, reducing response time through real-time alerting and automated endpoint isolation.

Windows Active Directory Lab Deployment On Azure

Established a Windows AD lab on Azure for practical security exercises, configuring AD DS, AD CS, and domain user/service accounts (SPNs) to replicate a target enterprise environment.

Cloud-Based Honeypot For RDP Attack Vector Analysis

Automated threat intelligence gathering by deploying an Azure honeypot, using PowerShell to geolocate attacker IPs, and utilizing Microsoft Sentinel and KQL for analysis and world map visualization.

Cross-Platform Intrusion Detection & Active Threat Response

Implemented a Wazuh-based system for automated intrusion detection and threat monitoring across Windows (using Sysmon) and Ubuntu endpoints, ensuring multi-channel, real-time alerting for critical security events.
